**A RESOLUTION
OF THE KDPW MANAGEMENT BOARD
ON PAYMENTS FROM TRANSACTION SETTLEMENT AND OTHER OPERATIONS
PERFORMED BY KDPW AND ON CLEARING BANKS**

§ 1

- 1. Payments in PLN arising from:**
 - 1) the settlement of transactions or other operations processed by Krajowy Depozyt Papierów Wartościowych,
 - 2) issuer benefit payments to securities owners

- shall be processed using the cash current accounts of entities being direct participants of the depository system maintained by the National Bank of Poland as part of the SORBNET3 payment system.
- 2. Payments in EUR arising from:**
 - 1) the settlement of transactions or other operations performed by Krajowy Depozyt Papierów Wartościowych,
 - 2) the payment of obligations of issuers to beneficial owners of securities

- shall be executed using bank accounts maintained in TARGET.
- 3. Payments in other currencies arising from the payment of obligations of issuers to beneficial owners of securities shall be executed using bank account maintained by ING Bank Śląski S.A.**

§ 2

- 1. The National Bank of Poland shall be the clearing bank for payments executed in PLN, in accordance with § 4a of the KDPW Rules.**
- 2. Bank accounts used to process Euro payments shall be maintained in the TARGET system by central banks that are members of this system.**
- 3. ING Bank Śląski S.A. shall be the clearing bank for payments executed in other foreign currencies arising from the payment of obligations of issuers to beneficial owners of securities.**

§ 3

- 1. Subject to subpara. 2, cash debits of participants arising from the settlement of transactions and other operations performed in the multi-batch system shall be determined on the basis of multilateral netting.**
- 2. Payments arising from the settlement of transactions and other operations performed in the real-time settlement system shall be exempted from the principle of multilateral netting.**

§ 4

1. Where a participant executes payments using the account of a payment agent, Krajowy Depozyt Papierów Wartościowych shall determine the cash flows in such account by netting according to the terms laid down in § 3 subpara. 1 separately for each participant using such account.
2. Payments of types which are not subject to netting shall be executed separately for each participant using the account of the payment agent.
3. Mutual rights and obligations in relations between the payment agent and a participant using its account, arising from payments executed in the account of the payment agent, shall be laid down in an agreement concluded between them.

§ 5

1. A detailed list of types of payments in respect of which payment instructions are executed in PLN, as well as their execution times, is provided in the settlement day timetable attached as Appendix 1 to the Resolution.
2. The payment instruction execution times specified in the settlement day timetable are only indicative in nature. In particular, a payment instruction of a specific type may be executed by initiative or with the consent of Krajowy Depozyt Papierów Wartościowych at times other than specified for such type in the timetable if so required by the needs of the depository system.
3. The clarifications presented in the settlement day timetable for specific types of payment instructions are provided for information only and shall not be interpreted in contradiction to the Rules of Krajowy Depozyt Papierów Wartościowych or the Detailed Rules of Operation of Krajowy Depozyt Papierów Wartościowych.

§ 6

1. This Resolution shall enter into force on the date set by the Management Board of Krajowy Depozyt Papierów Wartościowych S.A. which shall be no earlier than two weeks after publication of this Resolution.
2. Resolution No. 1000/11 of the Management Board of Krajowy Depozyt Papierów Wartościowych S.A. dated 7 November 2011 (as amended) shall become null and void on the effective date of this Resolution.
